RETURN OF THE BAY BRIDGE LIGHTS FOR THE SUPER BOWL

OAKLAND – In this Caltrans News Flash, we get the latest on the Bay Lights art project on the San Francisco-Oakland Bay Bridge. The art project, which is completely funded by private donations, will be permanently re-lit on January 30th to kick off the Bay Area's Super Bowl Week festivities. The video shows crews replacing the 25,000 LED lights and explains how the new lights are much more durable and long-lasting.
