FOR IMMEDIATE RELEASE

Stinson Beach Community Meeting

STINSON BEACH — Caltrans will host a community meeting on Tuesday, October 10, to discuss the storm repairs and closures on Highway 1 in Marin County. The meeting will take place at 6:30 pm at the Stinson Beach Community Center.

Highway 1 is currently closed between Stinson Beach and Muir Beach. Recently, Caltrans closed an additional portion of the road near Steep Ravine. Only registered guests of Steep Ravine are permitted access through the closure. Caltrans representatives will discuss the timeline of all the repair projects and other issues arising from the closures.
