

CALTRANS RELEASES REVISED ENVIRONMENTAL REPORT

Public Comment Period for Revised Sections of the Report

July 10 – August 9, 2018

The California Department of Transportation (Caltrans) is recirculating portions of the Draft Environmental Impact Report/Environmental Assessment (DEIR/EA) for the Highway 101 Managed Lanes Project.

The original version of the DEIR/EA was released on November 20, 2017, commencing a public comment period lasting through January 19, 2018

Since that time, Caltrans has revised portions of the DEIR/EA involving greenhouse gas, water quality and alternatives considered and eliminated. **As such, Caltrans will open a new comment period, allowing the public to comment on the revised sections of the document. The new comment period runs from July 10 through August 9, 2018.**

Only comments addressing the revised portion of the DEIR/EA will be considered.
