FOR IMMEDIATE RELEASE

Overnight Closures of I-880 in Oakland

Closures for New 23rd Street Overcrossing Work

Oakland - Caltrans will close northbound Interstate 880 for five nights starting April 9, 2018. The overnight closures will allow workers to safely install falsework beams across northbound I-880 for the construction of the new 23rd Avenue overcrossing.

After completing the northbound work, the crews will perform southbound work with another set of five overnight closures.

The expected hours of closure are from 11:00 PM to 5:00 AM. Detours will be in place during the full closure.

You can read more about the project on the web page:
