## FOR IMMEDIATE RELEASE

### **Interstate 780 – Major Pavement Repair Resumes Benicia and Vallejo Work for Thursday, April 28 – Friday, May 6**

**SOLANO COUNTY** – Caltrans resumes major pavement repair on Interstate 780 (I-780) in Solano County following a winter break in work. The project includes overlay and pavement repair of seven miles of westbound and eastbound I-780 between Benicia and Vallejo. Project will be completed as early as summer 2016.

Although no full highway closures are scheduled, motorists may experience delays as crews work on I-780 with intermittent, overnight, alternating ramp and lane closures.

The following ramps and connectors will be closed intermittently starting at 8:00 PM until 5:00 AM the next morning Monday-Friday April 28 until May 6. Crews will alternate ramp closures. No two consecutive ramps will be closed at the same time. Detour signs will be posted. Caltrans will make additional announcements for work beyond May 6.
