FOR IMMEDIATE RELEASE

State Route 29-Channelization Project-Napa County Updates Starting Sunday, May 22

NAPA COUNTY – Caltrans and its local stakeholders are continuing construction of the State Route 29 (SR-29) Channelization Project in and near St. Helena in Napa County. Below is the week-ahead project update for the week of May 22 and May 22.

WEEK STARTING MAY 22, 2016

Storm drain installation between Inglewood Avenue and Lewelling Lane in the southbound shoulder. Work will stop just south of Hall Winery.

Hours of work are 7:00 AM to 5:00 PM, Mon-Fri. Southbound shoulder work will occur behind portable delineators or traffic cones. No daytime lane closures are scheduled. Slower traffic is anticipated due to the ingress and egress of heavy equipment and off-haul trucks into and out of the work zone. Full access to driveways will be maintained.

Night Work

- Hot mix asphalt (HMA) paving between Dowdell Lane and Charter Oak Avenue in the northbound shoulder– Monday & Tuesday Nights
- Roadway re-striping between Dowdell Lane and Charter Oak Avenue behind k-rail to prepare for a future traffic shift – Wed & Thur Nights
- Concrete Media shift btwn Dowdell Lane & Charter Oak Ave to close sb shoulder for widening

Hours of work are 7:00 PM to 6:00 AM, Mon-Thur. (**No Friday work due to the Memorial Day Holiday**). Northbound shoulder HMA paving will take place behind k-rail. Re-striping operations will be behind k-rail with partial re-striping within the current northbound lane. One-way traffic control will be used. Delays of up to 5 minutes are anticipated. Driveway access to and Mills Lane will be limited while these areas are paved.
