## FOR IMMEDIATE RELEASE

### State Route 13 Storm Damage Repair Project at Moraga Avenue Ramp Project Update

**Oakland, Calif.** – Caltrans will begin construction work May 30<sup>th</sup> on the Storm Damage Repair Project on State Route 13 (SR-13) at Moraga Avenue, Alameda County. The project is located east of the on ramp shoulder of northbound SR-13 (NB SR-13). The purpose of the project is to repair the slope and prevent further slide damage to the hillside. The project includes constructing earth retaining structures with a replanting project to follow construction.

Construction hours generally will be weekdays 6:30 AM to 4:00 PM. Occasional night and weekend work may be necessary to complete construction activity.

Closure of the on ramp to SR-13 NB at Moraga Avenue may be necessary. Detour signs will be in place to redirect motorists towards alternate routes. Construction vehicle traffic may be experienced in and near the construction area and Fernwood Drive.

Caltrans will provide updates on the project website and via email. If you would like to be included on the stakeholder email list, please provide your contact information to: [Shannon.brinias@dot.ca.gov](mailto:Shannon.brinias@dot.ca.gov).

More information is available at: <http://www.dot.ca.gov/dist4/projects/13storm/>.

Motorists should drive with caution through the work zone. Get real-time traffic on Caltrans Quickmaps: <http://quickmap.dot.ca.gov/> Or follow Caltrans on Twitter: <http://twitter.com/CaltransD4>. Caltrans appreciates your patience as we work to maintain California's highways. Please #BeWorkZoneAlert.
