**SM/SCL Counties-** On June 25 and June 26 the California Department of Transportation (Caltrans) will close East Bayshore Road between Pulgas Avenue and Laura Lane for staging of a crane and other equipment for a pile driving operation. This closure is necessary to ensure worker and public safety.

- East Bayshore Road will be closed between Pulgas Avenue and Laura Lane on June 25 and June 26 from 6:00 AM to 7:00 PM
- During this work, flaggers will direct pedestrians and bicyclists through the construction site, but the area will be closed to vehicles.
- Residents and businesses should expect increased noise due to this construction activity.
- This work depends on weather conditions and will be rescheduled if necessary.
- Changeable Message Signs are in place to alert the public of this closure.
- One-way traffic control will resume after 7:00 PM on both days.
