FOR IMMEDIATE RELEASE

Interstate 580 – West MacArthur Boulevard Off-Ramp Closure

Alameda County– The California Department of Transportation (Caltrans) will close the West MacArthur Boulevard off-ramp from eastbound Interstate 580 in Oakland/Emeryville on the morning of Friday, June 3. The ramp will stay closed for approximately twelve weeks while crews perform repairs to the pavement.

The adjacent ramp to San Pablo Avenue will remain open. Traffic will be detoured to Watts Street, then to 35th Street, then to Market Street, then back to West MacArthur Boulevard.

Additional closures of the West MacArthur on ramp are scheduled for the near future as well. Please remember that traffic fines are doubled in maintenance and construction zones. “Be Work Zone Alert.”
