FOR IMMEDIATE RELEASE

San Jose Avenue Pedestrian Bridge over State Route 1 in Pacifica to Close January 7, 2019

Shuttle Service will ferry pedestrians until new pedestrian bridge opens

PACIFICA – Caltrans will close the San Jose Avenue pedestrian overcrossing at 5:00 AM, Monday, January 7, 2019. The closure will allow workers to connect the landing of a newly-built replacement pedestrian overcrossing to the landing of the old overcrossing. The new overcrossing is scheduled to open in mid-to-late February 2019.

The overcrossing spans State Route 1 in the Sharp Park neighborhood of Pacifica, connecting the Evergreen Shopping Plaza on the freeway's eastside to Pacifica's civic center on the westside. The original overcrossing, built in 1968, is badly weathered and non-compliant with Americans with Disabilities Act.

During the closure, a free shuttle service will transport pedestrians across the freeway via nearby overcrossings. The shuttle can be contacted by calling a phone number posted on signs near the entrances of the closed overcrossing. The shuttle service will be available around the clock until the new overcrossing opens.

After the opening of the new pedestrian overcrossing, Caltrans will discontinue the shuttle service and begin demolition of the old overcrossing.
