FOR IMMEDIATE RELEASE

Overnight Closures of U.S. Highway 101 At Willow Road in San Mateo County

Series of Nighttime Closures for Installation of Concrete Girders for New Overpass

MENLO PARK - Caltrans has scheduled five overnight closures of U.S. Highway 101 and Willow Road at the U.S. Highway 101/Willow Road interchange in Menlo Park. The closures will allow work crews to install 135-foot concrete girders for the new overpass.

Southbound 101 Closures:

Southbound U.S. 101 is scheduled to close from 11:59 PM to 4:30 AM on Tuesday, January 15; Wednesday, January 23; and Thursday, January 24. During the closures, Westbound Willow Road will be closed at the overpass until 6:00 AM.

Northbound 101 Closures:

Closures for northbound U.S. 101 are scheduled from 11:59 PM to 4:30 AM on Wednesday, January 16, and Tuesday, January 22. During the closures, eastbound Willow Road will be closed at the overpass until 6:00 AM.

All closures are dependent on the weather:

Rainy weather may cause work to be rescheduled. Changeable message signs along the freeway and adjacent routes will keep motorists apprised of the status of the closures.
