FOR IMMEDIATE RELEASE

State Route 29 in St. Helena to Have One-Way Traffic Controls Starting February 25, 2019

One lane of SR-29 to close between Pratt Avenue and Deer Park Road

ST. HELENA—Caltrans will close one lane on State Route 29 (SR-29) in St. Helena near Beringer Winery February 25 through March 1, necessitating the use of one-way traffic controls, so crews can remove and replace three diseased or damaged elm trees.

The work is scheduled starting Monday, Feb. 25 until Friday, March 1, between the hours of 8:30 AM and 2:30 PM, with the exception of Wednesday, Feb. 27. No work will take place Feb. 27. All work is weather permitting. Motorists should expect delays and allow for extra travel time.

The trees are part of the Tunnel of Elms on SR-29. Two of the trees are diseased.

- **The lane closure and one-way traffic controls are as follows: 8:30 AM to 2:30 PM each day Monday, February 25 – Friday, March 1, with the exception of Wednesday, February 27. The lane closure will be on SR 29 between Pratt Avenue and Deer Park Road.**
 - Crews will alternate lane closures in both northbound and southbound directions. This will allow one traffic lane on SR-29 to remain open during the work. Flaggers will help direct traffic.

Please drive cautiously through the construction zone, have a safe traveling distance between your vehicle and the vehicle ahead of you, and please #BeWorkZoneAlert.
