Pavement Rehabilitation on Santa Paula Freeway (SR-126) in Ventura County

VENTURA – The California Department of Transportation (Caltrans) has begun repairing damaged concrete pavement on the eastbound Santa Paula Freeway (SR-126) from the Ventura Freeway (US 101) to Saticoy Avenue. Repair crews will work Monday through Friday, from 9 p.m. to 6 a.m. Residents and motorists should expect noise and delays while crews repair pavement at several locations in the project area. Signed detours will be posted.

This week's upcoming closures:

Eastbound SR-126 will be closed from US 101 to Victoria Avenue

The connector from north- and southbound US 101 to eastbound SR-126

Eastbound SR-126 from Kimball Road to Wells Road

This \$270,000 contract was awarded to RSB Group, Inc. from Lake Forest, California. This project is funded by the State Highway Operation and Protection Program (SHOPP). The project is expected to finish May 30.
