FOR IMMEDIATE RELEASE

Foothill Freeway (I-210) Tunnel Closure

PASADENA – The California Department of Transportation (Caltrans) will temporarily close the **westbound I-210 connector to southbound SR-110/Del Mar Boulevard and California Boulevard exit** for tunnel upgrades. **Closures will be daily Monday through Friday, beginning July 10 from 11 a.m. to 7 p.m. and will continue through August.**

Detour route: westbound Ventura Freeway (SR-134), exit Orange Grove Boulevard. Signs will be posted for motorists convenience. Expect delays along the route during this time.

These closures are part of a \$148.5 million pavement rehabilitation project. Improvements will include tunnel washing, repainting of the tunnel, and a new lighting system to enhance safety. Closures are weather permitting and subject to change.

Caltrans thanks you for patience and understanding during construction and reminds you to **“Be Work Zone Alert.”**
