

# Caltrans District 9 Bicycle Guide

SR 127

## Description:

SR 127 is a 2-lane conventional highway with narrow shoulders. The route begins at Interstate 15 in Baker, San Bernardino County, and ends at the California/Nevada border. The highway is generally flat with some moderate grades. Average summer temperatures reach 120 degrees so drinking water is highly recommended. Traffic is light and the route provides access to Death Valley National Park and other recreational lands.
