

Caltrans District 9 Bicycle Guide

SR 178

Description:

SR 178 is a west-to-east, 2-lane conventional highway with varying shoulder widths. The route begins at Kelso Valley Road in Weldon to the California-Nevada state line in the Stewart Valley. There is 56 miles of unconstructed highway from the Searles Valley in San Bernardino County to the Black Mountains in Death Valley National Park/Wilderness. The 2- to 4-lane route varies in character with almost level grades. SR 178 passes through several unincorporated communities, including Weldon, Inyokern, Ridgecrest, and Shoshone. SR 178 is shared roadway with varying degrees of traffic volume. A Class III (Bike Route) facility is available in Ridgecrest.
