

# Caltrans District 9 Bicycle Guide

## SR 89

### Description:

SR 89 is a 2-lane conventional roadway from the junction of US 395 to the Alpine/Mono County line. SR 89 traverses steep and winding grades which provide scenic views of the Antelope Valley. Traffic is light and there are no communities or support services along the route in District 9 (Mono County). SR 89 is subject to seasonal road closure during the winter.

### Services: None
