FOR IMMEDIATE RELEASE

NIGHT TIME PAVING OF SOUTHBOUND U.S. 101 AT SAN JUAN ROAD APRIL 12 - 17.

MONTEREY COUNTY – Caltrans and Granite Construction Company **will pave southbound U.S. Highway 101 at San Juan Road starting Sunday, April 12. through Friday, April 17. Paving will occur at night between the hours of 7:30 p.m. and 5:30 a.m.**

Directional signs and changeable message boards will be in place to help direct drivers.

The full opening of the San Juan Road Interchange is currently scheduled for Spring of 2015.

The \$69 million San Juan Road Interchange Project will remove three major at-grade intersections (San Juan Road, Dunbarton Road, and Cole Road) and replace them with a new interchange near the Red Barn at San Juan Road and U.S.101. The project is supported by \$10 million from the Recovery Act and \$28 million from Proposition 1B, a 2006 voter-approved bond. In total, nearly \$15 billion in Proposition 1B funds have been distributed statewide.

More than 60,000 vehicles daily travel through the U.S. 101/San Juan Road area.
