TAMC CONE ZONE REPORT

ROAD AND LANE CLOSURES SCHEDULED FOR JAN 8 – JAN 16

MONTEREY COUNTY – Here are the major scheduled road and lane closures for the areas between Salinas and North Monterey County from **Sunday, January 8, through Sunday, January 16, 2012– newest information is in red.**

Prunedale Improvement Project: January 9-12

- **Night work on Hwy 101 between San Miguel Canyon and Tustin Rd. will close one lane in each direction from 7:30 p.m. to 6 a.m. from Monday, January 9, to Thursday, January 12.**
 - Crews will be working on the superstructure at San Miguel Canyon.
- **Night work on HWY 101 between Mallory Canyon Rd. and Echo Valley Rd. will close one northbound lane between the hours of 7:30 p.m. and 6 a.m. each night from Monday, January 9, through Thursday, January 12.**
 - Crews will be drilling the foundation for a new temporary conveyor bridge.

Highway 101/Airport Blvd. Project: January 9 - 12

- **The southbound on-ramp to Hwy101 at Airport Blvd. will be closed from 9 a.m. to 3 p.m. from Monday, January 9, through Thursday, January 12, for landscaping work.**
 - Motorists will be detoured to Terven Ave.
 - Detour signs will be in place.

Highway 1 Barrier Improvements: November 2011 – March 2012

- **A 14-mile project to install metal beam guardrail and make concrete barrier improvements along Hwy. 1 from Trafton Road in Monterey County to just north of 41st Avenue in Santa Cruz.**
 - **Project will result in overnight alternating lane closures Mondays through Fridays from 9 pm to 6 am.**
 - Minimal delays are anticipated.
 - Roadwork is expected to be completed by March 2012, weather permitting.

Highway 68: January

- Monterey County Public Works continues its **work along HWY 68 and San Benancio, which will go on through January 2012**. This work is being done during the day; drivers should be alert. Most work will be done behind the concrete barriers that are set up, but minor delays can be expected.

Please drive safely and exercise caution in the construction zones.
