## TAMC CONE ZONE REPORT

ROAD AND LANE CLOSURES SCHEDULED FOR JAN 15 – JAN 22

MONTEREY COUNTY – Here are the major scheduled road and lane closures for the areas between Salinas and North Monterey County from **Sunday, January 15, through Sunday, January 22, 2012**– **newest information is in red.**

Please note: Because this week's Cone Zone Report is coming to you on Thursday, instead of Friday, there may be some information about road and lane closures that is not included because it was not available. For a complete list of all of Caltrans' scheduled road and lane closures for next week, please visit the Caltrans website: [http://www.dot.ca.gov/dist05/road\\_information.htm](http://www.dot.ca.gov/dist05/road_information.htm)

### Prunedale Improvement Project: January 16 - 19

- **Night work on Hwy 101 between San Miguel Canyon and Tustin Rd. will close one lane in each direction from 7:30 p.m. to 6 a.m. from Monday, January 16, to Thursday, January 19.**
  - Crews will be working on the superstructure at San Miguel Canyon.

### Highway 101/Airport Blvd. Project: January 16 - 19

- **Reversing lane closures will be performed on Airport Blvd. at night from Monday, January 16, through Thursday, January 19, between 8:30 p.m. and 6 a.m.**
- **Traffic shifts on Airport Blvd. will also be performed during the day, from 9 a.m. and 3 p.m., from Monday, January 16, through Thursday, January 19.**
  - The reason for the shifts and closures is to install traffic loops.

### Highway 1 Barrier Improvements: November 2011 – March 2012

- **A 14-mile project to install metal beam guardrail and make concrete barrier improvements along Hwy. 1 from Trafton Road in Monterey County to just north of 41st Avenue in Santa Cruz.**
  - **Project will result in overnight alternating lane closures Mondays through Fridays from 9 pm to 6 am.**
  - Minimal delays are anticipated.

- Roadwork is expected to be completed by March 2012, weather permitting.

### **Highway 68: February 2012**

- Monterey County Public Works continues its **work along HWY 68 and San Benancio, which will go on through February 2012**. This work is being done during the day; drivers should be alert. Most work will be done behind the concrete barriers that are set up, but minor delays can be expected.

**Please drive safely and exercise caution in the construction zones.**
