**FOR IMMEDIATE RELEASE**

*Update 1*

**NIGHT TIME PAVING OF SOUTHBOUND U.S. 101 AT SAN JUAN ROAD CONTINUES  
APRIL 19 - 24.**

MONTEREY COUNTY – Caltrans and Granite Construction Company **will continue paving southbound U.S. Highway 101 at San Juan Road from Sunday, April 19 through Friday, April 24. Paving will occur at night between the hours of 7:30 p.m. and 5:30 a.m.**

**During the paving, the southbound San Juan Road exit will be subject to closure from 7:30 p.m. and 5:30 a.m.**

**Motorists should detour to Crazy Horse Canyon Road.**

Directional signs and changeable message boards will be in place to help direct drivers.

The full opening of the San Juan Road Interchange is currently scheduled for Spring of 2015.

The \$69 million San Juan Road Interchange Project will remove three major at-grade intersections (San Juan Road, Dunbarton Road, and Cole Road) and replace them with a new interchange near the Red Barn at San Juan Road and U.S.101. The project is supported by \$10 million from the Recovery Act and \$28 million from Proposition 1B, a 2006 voter-approved bond. In total, nearly \$15 billion in Proposition 1B funds have been distributed statewide.

More than 60,000 vehicles daily travel through the U.S. 101/San Juan Road area.
