MONTEREY COUNTY – Caltrans maintenance crews will be performing drainage work on two small sections of **westbound** Highway 156 at Meridian and Monte del Lago between Prunedale and Castroville on Wednesday, Feb. for two days, Caltrans officials have announced.

One-way reversing traffic control with flaggers will be in effect. Roadwork hours for Wednesday, Feb. 17 and Thursday, Feb. 18 are from 9 am to 3 pm. Motorists can expect delays of 10-15 minutes. Roadwork is scheduled to be complete by Thursday, Feb. 18, weather permitting.

An electronic message sign will be posted alerting motorists of this drainage work, which is being done by our Salinas north maintenance crew. It is necessary for the preservation of the road and safety of travelers.
