FOR IMMEDIATE RELEASE

RESURFACING OF STATE ROUTE 227 (BROAD STREET) RESUMES NEXT WEEK

SAN LUIS OBISPO COUNTY – A resurfacing of State Route 227 (Broad Street) from Price Canyon Road to north of Buckley Road will resume on Monday, April 11 following a suspension of the project due to winter storms.

Motorists will encounter lane closures with one-way reversing traffic control Monday through Friday from 8:30 am until 3 pm and during the overnight hours from 7 pm until 6 am.

This project will include repairs on State Route 227 (Broad Street) in various locations between Price Canyon Road and the San Luis Obispo Airport, striping on the roadway at Crestmont Drive and improvements to both sides of the East Corral De Piedra Bridge south of Price Canyon Road.

Electronic message boards will be posted to alert the public about this roadwork. Motorists can expect delays not to exceed ten minutes. The contractor for this \$1.3 million project is CalPortland of Santa Maria, CA. This project is expected to be complete in May.

Caltrans reminds motorists to move over and slow down when driving through highway construction zones.

For traffic updates on other state highways in San Luis Obispo County, motorists may call Caltrans District 5 Public Affairs at 805-549-3318 or can visit our website at:
