FOR IMMEDIATE RELEASE

STATE ROUTE ONE RE-ALIGNMENT NEAR PIEDRAS BLANCAS CONTINUES

SAN LUIS OBISPO COUNTY – A project to re-align a nearly three mile segment of State Route 1 from Point Piedras Blancas to the Arroyo De La Cruz Bridge near San Simeon will continue this week with the construction of new bridges and grading for the new travel lanes.

Most of the construction during this project will take place adjacent to the existing highway, but motorists may encounter occasional daytime lanes closures Monday through Friday from 7 am until 3 pm with delays not to exceed ten minutes.

The contractor for this \$19.7 million project is Papich Construction of Grover Beach, CA. This project is expected to be complete by the winter of 2018.

Caltrans reminds motorists to move over and slow down when driving through highway construction zones.

For traffic updates on other state highways in San Luis Obispo County, motorists can call Caltrans District 5 Public Affairs at (805) 549-3318 or visit the District 5 website at: http://www.dot.ca.gov/dist05/road_information.htm
