FOR IMMEDIATE RELEASE

TRAFFIC CONTROL ON STATE ROUTE 41 NEAR CHOLAME NEXT WEEK

CHOLAME – One lane of State Route 41 north of Hwy. 46 East will be closed **Monday, Jan. 4 through Friday, Jan. 8 from 8 am to 4 pm** for the installation of protective barrier to ensure the safety of highway workers.

Motorists will encounter one-way reversing traffic control on State Route 41 north of Hwy. 46 East with delays not to exceed 15 minutes.

This lane closure is necessary so that First Solar can build left turn lanes near the entrance to their new facility. This lane closure was approved via a Caltrans permit.

Electronic message boards will be activated on State Route 41 and Hwy. 46 East to advise motorists of this lane closure.

Caltrans reminds motorists to move over and slow down while driving through highway construction zones.

For traffic updates on other state highway projects in San Luis Obispo County, motorists can call Caltrans District 5 Public Affairs at 805-549-3318 or visit the District 5 website at: http://www.dot.ca.gov/dist05/road_information.htm
