HIGHWAY 46 WEST MAINTENANCE PROJECT RESCHEDULED

SAN LUIS OBISPO COUNTY – A project to perform maintenance on Hwy. 46 West from State Route 1 to Vineyard Drive for a four-day period scheduled to begin on Monday, June 2 **has been cancelled**. Caltrans will reschedule this road work at a later date.

This project will include alternating lane closures in approximately six-mile increments over a four day period from Hwy. 1 to Vineyard Drive in order to improve and maintain the surface of the highway.

Electronic Message Boards will be activated to inform the public before work begins. This project will be performed by the Caltrans District 5 Maintenance Group.

In addition, Caltrans will apply this maintenance treatment on a two-mile section of State Route 150 near U.S. Highway 101 to the Rincon Creek Bridge in Santa Barbara County.

Caltrans reminds motorists to move over and slow down when driving through highway work zones.
