UPDATE #2

NEW GAS LINES TO BE INSTALLED ALONG HIGHWAY 1 IN PISMO BEACH

SAN LUIS OBISPO COUNTY – A project to install new gas lines beneath State Route 1 (Dolliver Street) from Price Street to Mattie Road that began on Monday, Feb. 8 will continue next week.

The one-way reversing traffic control scheduled Monday through Friday from 7 am until 4 pm has been cancelled. One lane in each direction will remain open at all times.

Electronic message boards will be activated to inform the public of this project.

This gas line project is being performed by the Southern California Gas Company, under permit from Caltrans. It is expected to be complete by the end of March, weather permitting.

Caltrans reminds motorists to move over and slow down when driving through highway construction zones.

For traffic updates on other state highways in San Luis Obispo County, motorists can call Caltrans District 5 Public Affairs at (805) 549-3318 or visit the District 5 website at: http://www.dot.ca.gov/dist05/road_information.htm
