FOR IMMEDIATE RELEASE

GOLETA DRAINAGE IMPROVEMENT PROJECT TO RESULT IN OVERNIGHT RAMP CLOSURE ON U.S. HIGHWAY 101 AT FAIRVIEW AVENUE NEXT WEEK

GOLETA – A project to improve the capacity of two large drainage culverts located along Las Vegas Creek and San Pedro Creek at U.S. Highway 101 near Fairview Avenue in Goleta will result in the following ramp closure next week:

- The **southbound off-ramp** of U.S. Highway 101 at Fairview Avenue will be closed during the **overnight hours** on Monday, April 14 thru Thursday morning, April 17 from **10 pm until 6 am**. This ramp closure will allow work to proceed on widening the shoulder at this location.

This project will increase the water capacity and prevent flooding north of Calle Real and U.S. Highway 101. It will also include reconstructing the U.S. 101 southbound off-ramp at Fairview Avenue. Caltrans is the lead agency for this project, in partnership with the Santa Barbara County Flood Control District with support from the City of Goleta.

The contractor for this \$16.6 million project is Flatiron West Incorporated of San Marcos, CA. This project is expected to be completed in 2017.

NEWS RELEASE

As part of the City of Goleta's Los Carneros Overhead Bridge Replacement project, **the southbound Hwy. 101 on/off ramps at Los Carneros Road remain closed until February 2015.**

Motorists can use Patterson Road or State Route 217 to access businesses, the Santa Barbara Regional Airport and UCSB. For more information on this project, visit:

<http://www.loscarnerosbridgeproject.com/>

Caltrans reminds motorists to move over and slow down when driving through highway construction zones.

For traffic updates on other state highway projects in Santa Barbara County, motorists can call Caltrans District 5 Public Affairs at 805-568-0858 or visit the District 5 website at: http://www.dot.ca.gov/dist05/road_information.htm
