Subject: HAZARDOUS WASTE REPORTS PROJECT LIMITS

This memo has been written to address changes to the limits of the South Coast 101 HOV Lane Project. The project has been extended 0.6-mile to the south to include construction of stormwater treatment facilities at the Bailard Interchange (PM 1.4). The recommendations included in the following hazardous waste reports are not affected by the extension of the project, nor are any additions to the reports necessary due to this change.

- INITIAL SITE ASSESSMENT – SOUTH COAST STATE ROUTE 101 HOV LANE PROJECT (05-0N700), GEOCON CONSULTANTS INC. JUNE 2009.
- ADDENDUM TO THE INITIAL SITE ASSESSMENT - SOUTH COAST STATE ROUTE 101 HOV LANE PROJECT (05-0N700), GEOCON CONSULTANTS INC. JUNE 2010.
- ASBESTOS AND LEAD-CONTAINING PAINT SURVEY - SOUTH COAST STATE ROUTE 101 HOV LANE PROJECT (05-0N700), GEOCON CONSULTANTS INC. FEBRUARY 2010.
- PRELIMINARY SITE INVESTIGATION REPORT - SOUTH COAST STATE ROUTE 101 HOV LANE PROJECT (05-0N700), GEOCON CONSULTANTS INC. JUNE 2010.
- SITE INVESTIGATION REPORT – GEOPHYSICAL SURVEY AND POTHOLING - SOUTH COAST STATE ROUTE 101 HOV LANE PROJECT (05-0N700), GEOCON CONSULTANTS INC. APRIL 2011.
