

Small Business Forum

August 23, 2012

“TIPS FOR SMALL BUSINESS”

- Hear from resource programs on tips you can share with your constituents! Including:
 - Contract procurement and certification process and benefits with Caltrans
 - Contractor misclassification pitfalls
 - Free counseling from SCORE
- Exchange information regarding programs, services, resources, and assistance available to small business owners
- Identify problems that small businesses experience in accessing services

ABOUT THE SMALL BUSINESS FORUM

The Small Business Forum is intended to help facilitate the exchange of information between government and the small business community through partnerships with small business organizations, and trade & industry

Orange County

Who Should Attend:

- State, Federal, and Local Government organizations that provide services to small businesses
- Trade and industry groups
- Small business resource providers

Why Attend:

- Receive the latest information from agency representatives
- Share updates with interested partners
- Network with other service providers
