

Angeles Crest Highway Repairs Continue

All pictures were taken on 9/3/10

SR-2 is closed from La Cañada-Flintridge to Mt. Wilson Rd. and is expected to reopen by November or December 2010.

The California Department of Transportation (Caltrans) announces that SR-2 from La Cañada-Flintridge to Mount Wilson Road will remain **closed to the public** due to severe damage resulting from heavy rains. **SR-2 remains open from Mt. Wilson Rd. to SR-138.**

At several locations along the highway, construction crews are repairing the large gaps in the roadway and drainage systems that were washed away by heavy winter rains.

Trespassers will be cited and possibly arrested for entering the closed section of highway.
