CONSTRUCTION NOTICE

I-10/I-605 Interchange Improvement Project

Nightly Street Closures in Baldwin Park

The California Department of Transportation (Caltrans) is constructing a flyover connector from southbound San Gabriel River Freeway (I-605) to eastbound San Bernardino Freeway (I-10). As part of this project, Caltrans will close sections of Baldwin Park city streets. Street closures will begin **nightly**, Friday, October 25 through Thursday, November 7, for up to 5 hours on weekdays and up to 7 hours on weekends and include:

- **Both** directions of Ledford Street at Westcott Avenue
- **Both** directions of Dalewood Street just west of Via Van Cleave
- **Both** directions of Garvey Avenue just east of Westcott Avenue
- **Both** directions of Bess Avenue just west of Athol Street.

The closures are needed for the Los Angeles Department of Water and Power (LADWP) to complete utility relocation work to accommodate freeway construction. Motorists and area residents will not be able to access these city streets during the closures, and are strongly encouraged to use alternate routes and plan accordingly. Detours will be posted. Caltrans apologizes for this inconvenience as we work to improve the 10/605 connector.

DATES

Friday, October 25 at 11:59 p.m. - Saturday, October 26 at 6 a.m.

Saturday, October 26 at 1 a.m. - Sunday, October 27 at 8 a.m.
