U.S. 101 CARPOOL LANE PROJECT CLOSURE SCHEDULED

MUSSEL SHOALS – The California Department of Transportation (Caltrans) will close one lane of southbound U.S. 101 for approximately one half mile in Mussel Shoals from 4 a.m. until up to 9 a.m. on Friday, January 31.

The closure is needed to complete a striping operation. Following completion, K-rail (concrete barriers) will be moved to create a temporary ramp. Some noise can be expected.

Work relates to construction of a six-mile carpool lane from Mussel Shoals in Ventura County to Carpinteria in Santa Barbara County. Granite Construction is the contractor on the \$102 million project, estimated to complete by early 2015.
