US-101/I-405 CONNECTOR CLOSURES FOR MAINTENANCE

LOS ANGELES - The California Department of Transportation (Caltrans) will close the eastbound Ventura Freeway (US-101) connector to northbound and southbound San Diego Freeway (I-405), weather permitting, Sunday, September 10, from 6 a.m. to 11 a.m. Additionally, eastbound US-101 at Hayvenhurst Avenue on-ramp, Haskell Avenue off-ramp, and southbound I-405 Ventura Boulevard off-ramp will also be closed.

These closures are for striping, delineation, bridge repair, sign repair, electrical repair, and other maintenance work.

Caltrans reminds motorists fines are doubled in work zones. Motorists are asked to **“Slow For The Cone Zone.”**
