INFORMATIONAL NOTICE

VENTURA BOULEVARD SIDEWALK CLOSING

SHERMAN OAKS – The California Department of Transportation will close the sidewalk on the south side of Ventura Boulevard in an area between Sepulveda Boulevard and Sherman Oaks Avenue beginning Friday, September 23. The closure is expected to continue for several months.

Pedestrians can use the north side of the boulevard.

The sidewalk closure is related to the \$46 million improvement project at the 101/405 Interchange extending the current auxiliary lane on northbound I-405 past the Greenleaf off-ramp to the U.S. 101 connector, permanently closing the loop on-ramp from eastbound Ventura Boulevard and constructing the Dickens Street bypass. The project is estimated to complete in spring 2007.
