FOR IMMEDIATE RELEASE

I-10 Long Term Ramp Closures Scheduled

Baldwin Park – The California Department of Transportation (Caltrans) will close the eastbound San Bernardino Freeway (I-10) Baldwin Park Boulevard on-ramp, Sunday, June 3 through August, 2012 as part of the High Occupancy Vehicle lane construction project. Motorists attempting to access I-10 will experience delays and are encouraged to use alternate routes. The westbound I-10 Frazier Street on-ramp, closed for construction since May 2012, will remain closed until September 1, 2012.

Detour signs will be posted. Flatiron West, Inc. is the contractor on this \$165 million project, which will add an HOV lane in each direction of I-10 between I-605 and Puente Avenue. Anticipated project completion is late fall 2012.
