CULVER BOULEVARD CLOSURE SCHEDULED

LOS ANGELES – The California Department of Transportation (Caltrans) will close Culver Boulevard south of the median from Sawtelle Boulevard to Sepulveda Boulevard tonight from 9 p.m. to 6 a.m.

Detours will be posted.

This closure is related to the \$167 million High Occupancy Vehicle (HOV, or carpool) project on the San Diego Freeway (I-405) from the Marina Freeway (Route 90) to the Santa Monica Freeway (I-10).

The freeway project is expected to complete early in 2009, at which time the HOV lane on southbound I-405 will be continuous from the San Fernando Valley to Orange County.
