**FOR IMMEDIATE RELEASE**

## RONALD REAGAN FREEWAY (I-118) OFF-RAMP SIGNAL

**CHATSWORTH** - The California Department of Transportation (Caltrans) will temporarily change the signal at State Route 118 westbound off-ramp to Topanga Canyon Boulevard, on July 7, from 9 a.m. to 3 p.m. to a flashing red light in all directions, in order to upgrade the signal. This work is part of a larger project including the widening of Topanga Canyon Boulevard off-ramp to accommodate an additional lane.

Granite Construction is the contractor on this project which will handle increased traffic flow for a new development at Route 118 and Topanga Canyon Boulevard, and will provide a safer commute. Estimated completion is late Summer 2008. Caltrans advises motorists to **“Slow For The Cone Zone.”**
