Ronald Reagan Freeway (SR-118) Paving Project

Simi Valley/Moorpark – The California Department of Transportation (Caltrans) began repaving portions of SR-118 between Kuehner Drive to Princeton Avenue on Thursday, September 11. Metal beam guardrail will be replaced and several ramps within the project area will be slurry sealed. The project is expected to finish by early January 2015.

Lane and Ramp Closures, 9/26 to 10/3

- Kuehner Drive to Tapo Street up to three lanes of west- and eastbound SR-118 will be closed between 7 p.m. and 6 a.m.
- Ramps within the project area maybe temporarily closed for construction work. No two consecutive ramps will be closed.

Motorists should expect delays and occasional noise and dust. Closures are subject to change. Signed detours will be in place.

C.A. Rasmussen Inc. of Valencia, California was awarded this \$16.3 million project that is funded by the State Highway Operation and Protection Program.

Caltrans reminds motorists to ***Slow For The Cone Zone*** and ***Move Over***. It's the law.
