**FOR IMMEDIATE RELEASE**

## ROUTE 150 CLOSURES SCHEDULED

**OJAI** – The California Department of Transportation (Caltrans) will close one of two lanes in alternating directions on State Route 150 in the vicinity of the San Antonio Creek Bridge **daily** beginning Monday, July 27 through Friday, July 31, from 7 a.m. to 3:30 p.m. Additionally, the highway will have to close in both directions occasionally to accommodate delivery of materials.

Traffic control measures will be in place.

The closure is for placement of pre-cast concrete girders as part of a \$8.4 million project to replace the bridge over San Antonio Creek. The project began last summer and will complete in spring 2011. C.A. Rasmussen, Inc. is the contractor.
