FOR IMMEDIATE RELEASE

Extended Closure of Northbound I-5 Alameda Ave. On-Ramps, Nov. 18-23, 2015

BURBANK — The California Department of Transportation (Caltrans) will close the westbound and eastbound Alameda Avenue on-ramps to northbound I-5 in Burbank from November 18, 2015, at 9 a.m. to November 23, 2015, at 6 a.m. These closures are necessary to protect motorists while crews pave ramps and a segment of the collector lane. Signed detours will be provided.

This operation is part of a project that is constructing carpool lanes on I-5 between SR-134 and Magnolia Boulevard. Construction and closure schedules are subject to change.

For the safety of the construction crew and motorists, please be work zone alert, slow for the cone zone, and move over one lane where possible.

To get the latest information on project closures and construction activities, sign up to receive our weekly email advisories [here](#).

Resources for Motorists

- **Project Information:** Information about the project is [here](#).
- **Closure Information:** Closure information for this and other freeway projects is available on the [Caltrans website](#) and [My5LA.com](#).
