SAN BERNARDINO (I-10) LANE CLOSURE SCHEDULE

I-10 is a major thoroughfare serving commuters and large commercial vehicles. As a result of heavy use, the asphalt pavement in the carpool lanes has experienced extensive wear. New pavement will improve safety and mobility for motorists. Atkinson Construction is the contractor on this \$165 million project which is expected to complete spring 2011. Caltrans advises motorists to “**Slow For The Cone Zone.**”
