**FOR IMMEDIATE RELEASE**

## **SAN BERNARDINO FREEWAY (I-10) CLOSURES**

**LOS ANGELES TO MONTEREY PARK** - The California Department of Transportation (Caltrans) will close HOV (high occupancy vehicle or carpool) and bus lanes as part of a pavement restoration project on the San Bernardino Freeway (I-10), from the Long Beach Freeway (I-710) to Alameda Street. The mainline will remain open at all times. The following schedule will be in effect.

### **Saturday and Sunday Night, October 25**

#### **Eastbound I-10**

- 6 p.m. to 6 a.m. – East- and westbound carpool and bus lanes between Alameda Street and I-710

I-10 is a major thoroughfare into and out of downtown Los Angeles. As a result of heavy use, the asphalt pavement in the carpool and bus lanes has experienced extensive wear. New pavement will improve safety and mobility for motorists. The project will complete Fall 2009. Caltrans advises motorists to “**Slow For The Cone Zone.**”
