FOR IMMEDIATE RELEASE

GLENN ANDERSON FREEWAY CLOSURE

LOS ANGELES – The California Department of Transportation (Caltrans) will close the westbound Glenn Anderson Freeway (I-105) northbound Sepulveda Boulevard off-ramp nightly Monday, January 11, through Wednesday, January 13, from 11 p.m. until 5 a.m. for placement of temporary concrete barriers (K-rail) to ensure workers and motorist's safety. One lane of the northbound Sepulveda off-ramp will be closed until spring of 2010. Closures are subject to change.

The second construction phase when finished will provide two lanes and a standard safety shoulder for the Sepulveda Boulevard off-ramp. Estimated completion is spring 2010. Bador Construction Company is the contractor on this \$10 million project.

A detour will be posted for convenience.

Caltrans advises motorists to "**Slow For The Cone Zone**"
