Closures for Northbound I-5 in Glendale

Glendale — The California Department of Transportation (Caltrans) will close up to two lanes of the northbound Golden State Freeway (I-5) between Sonora Avenue and Western Avenue in Glendale from 10:30 p.m. to 6 a.m. on **July 18 - 22** and **25 - 29**. The northbound I-5 Western Avenue off-ramp will also be closed on these dates at the times listed above.

Motorists traveling northbound on I-5 should expect to begin merging at the Ventura Freeway (SR-134). Closures are subject to change. Detours will be signed.

These closures are necessary to allow crews to construct a retaining wall as part of the I-5/Western Avenue Interchange Improvement Project. The work is performed at night to minimize traffic impacts.

About the Project

This project involves the realignment of the I-5/Western Avenue interchange in Glendale to just south of Winchester Avenue. The realigned ramps will begin and end at a signalized intersection with Flower Street. The project will provide congestion relief for current and future local and regional traffic.

Work began in November 2010 and is on track to wrap up in the summer 2012. Caltrans thanks motorists for their patience and understanding during construction.

More Information

For more information about this project, visit www.I-5info.com or call the toll-free I-5 hotline: (855) 454-6335.
