Western Avenue Closure Under I-5 in Glendale

Glendale — The California Department of Transportation (Caltrans) will close Western Avenue under the Golden State Freeway (I-5) in Glendale **August 22 – 25** from 10 p.m. to 6 a.m. The closure is necessary to ensure motorist safety while crews perform bridge work related to the I-5/Western Avenue Interchange Improvement Project.

This work is being performed at night to minimize traffic impacts. The construction schedule is subject to change. Detours will be signed.

About the Project

This project involves the realignment of the I-5/Western Avenue interchange in Glendale to just south of Winchester Avenue. The realigned ramps will begin and end at a signalized intersection with Flower Street. The project will provide congestion relief for current and future local and regional traffic.

Work began in November 2010 and is on track to wrap up in summer 2012. Caltrans thanks motorists for their patience and understanding during construction.

More Information

For more information about this project, visit www.I-5info.com or call the toll-free I-5 hotline: (855) 454-6335.
