Ventura Freeway Closures

Los Angeles - The California Department of Transportation (Caltrans) will close portions of The Ventura Freeway (SR-134) as part of a landscape project. Closures are weather permitting and subject to change.

Friday Night, April 25, 2008:

- 8 p.m. to 9 a.m. – westbound SR 134 Glendale Avenue off-ramp
- 8 p.m. to 9 a.m. – northbound Glendale Avenue to eastbound SR-134

This \$2.4 million dollar project will upgrade the water irrigation system, control erosion, improve roadside landscaping, and increase safety for motorists. Estimated completion is winter 2008.

Caltrans advises motorists to “**Slow for the Cone Zone.**”
