New Hollywood Way On-Ramps Opens

BURBANK – The California Department of Transportation (Caltrans) will open the new Hollywood Way on-ramp to the Ventura Freeway (SR-134) by midday on Tuesday, January 5. Caltrans will close the existing Hollywood Way on-ramp as soon as the new on-ramp opens.

Hollywood Way and Alameda Avenue will be closed intermittently Monday, January 4 from 8 p.m. to Tuesday, January 5, at 12 p.m. to restripe local streets to accommodate the opening of the new on-ramp.

Unforeseen delays may occur and closure times are subject to change. One on-ramp will remain open at all times.

A signed detour will be available.

The existing (old) Hollywood Way on-ramp will be closed for construction until Spring 2010 as construction crews build a new retaining wall and sound wall. In the future, the existing on-ramp will become the westbound on-ramp to SR-134.
