## CLOSURES SCHEDULED FOR PORTIONS OF I-5 FREEWAY

The closures are in connection with the \$56 million pavement rehabilitation project on the I-5. FCI Constructors, Inc. is the contractor. Estimated completion date is winter 2010/2011. This project will replace damaged cement slab and grind or overlay the existing pavement in order to provide additional skid resistance and increase public safety. Caltrans reminds motorists to **“Slow For The Cone Zone.”**
