Los Angeles — The California Department of Transportation (Caltrans) will close the following lanes of the Pasadena Freeway (also known as the Arroyo Seco Parkway, or SR-110) as part of the Arroyo Seco Parkway Improvement Project. Please note that closure times are approximate and subject to change.

Northbound Pasadena Freeway (SR-110) Closures

- Up to two lanes of Northbound SR-110 from I-5 to Glenarm Street
TIME: 9 p.m. to 6 a.m.

Southbound Pasadena Freeway (SR-110) Closures

Sunday, November 21, through Wednesday, November 24

- Up to two lanes of Southbound SR-110 from Glenarm Street to I-5
TIME: 9 p.m. to 6 a.m.

This project involves replacing the existing metal beam and temporary barriers with decorative concrete barriers that reflect the stonework architecture seen throughout the surrounding communities. Historic reproduction lighting will also be installed.

Project benefits include improved safety for motorists, reduced maintenance costs, improved appearance of the historic highway, and protection for Caltrans maintenance workers

The \$17-million project is expected to be completed in winter 2011. The contractor is Cooper/Myers. Project and closure updates will be announced as they occur.
